POLARIZABLE ELECTRODE...	)	

RESPONSE

Honorable Commissioner for Patents  
Customer Service Window  
Randolph Building, Mail Stop Amendment  
401 Dulany Street  
Alexandria, VA 22314

Sir:

In response to the Examiner's Action dated May 11, 2005, the applicant hereby provisionally selects the species recited in claim 3 for prosecution on the merits in this Application. The claims readable on the elected species are 3-6, 8, 10, 12, 13, 15, 17, 19 and 21.

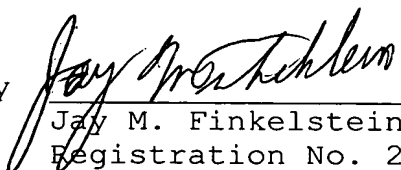

Nevertheless, the requirement is traversed for the reason that the two identified "species" appear to relate to the same disclosed embodiment.

Accordingly, it is requested that the election requirement be withdrawn and that all pending claims be examined.

Respectfully submitted,

BROWDY AND NEIMARK, P.L.L.C.  
Attorneys for Applicant
